#### 1.2.19. Break-bulk (Consolidated Cargo Information) Fee

Provision of HMI by electronic data before arrival: JPY 30 per HAWB

Provision of HMI by non-electronic data before arrival: JPY 60 per HAWB

No Provision of HMI: JPY 80 per HAWB

\*HMI (House Manifest Information)

#### 1.2.20. Actual Cost

Actual Cost will be charged for the service not mentioned in this price table.

(Applicable Provisions)

- "1 case" in each applicable fee item means "1 AWB". However, "1 case" in 1.1. Terminal Service Charges (Basic Charge) shall mean 1 case of carry-out.
- Any fractions of the fee, including consumption tax, will be rounded up to calculate.
- Tax included prices are rounded up to the nearest whole number, so the total amount may differ from unit price shown.
- If the weight of one piece has a fraction of less than 1 kg, the fraction will be rounded down to the nearest 1 kg. However, if the weight of one piece is less than 1 kg, it will be calculated as 1 kg per piece.
- The calculation of the number of storage days for "sorted consolidation cargo" is retroactive to the date of first delivery.
- "Sorted consolidation cargo" is calculated by treating each sorted cargo as one case.
- "Valuables" and "Dangerous Goods" mean, respectively, valuables and dangerous goods as defined in the IATA regulations and those which have been so indicated by Customs or the airline.
- "Frozen goods" and "Constant temperature products" mean any goods to be stored in accordance with instructions from the airline or consignee. In the event that storage demand for such goods temporarily concentrates and the special storage facilities have no capacity to accommodate the goods, charges for special measures, etc. shall be as follows
  - a) When the frozen goods are stored in the same conditions as if they were stored in a special storage facility by using dry ice, the special cargo handling charges in "1.2.3. Special cargo handling charges" will be applied to the frozen goods.
  - b) If the use of dry ice makes it impossible to satisfy the instructions of the airline or consignee regarding the storage of frozen goods and therefore special measures, work or labor are required to store the frozen goods, "1.2.8. Extra Work Fee" or

"1.2.20. Actual Cost" will be applied to such measures, work or labor.

- Tax is exempted for those items for which the sales tax category is not yet stated.
